

# Editing your profile in Moodle

---

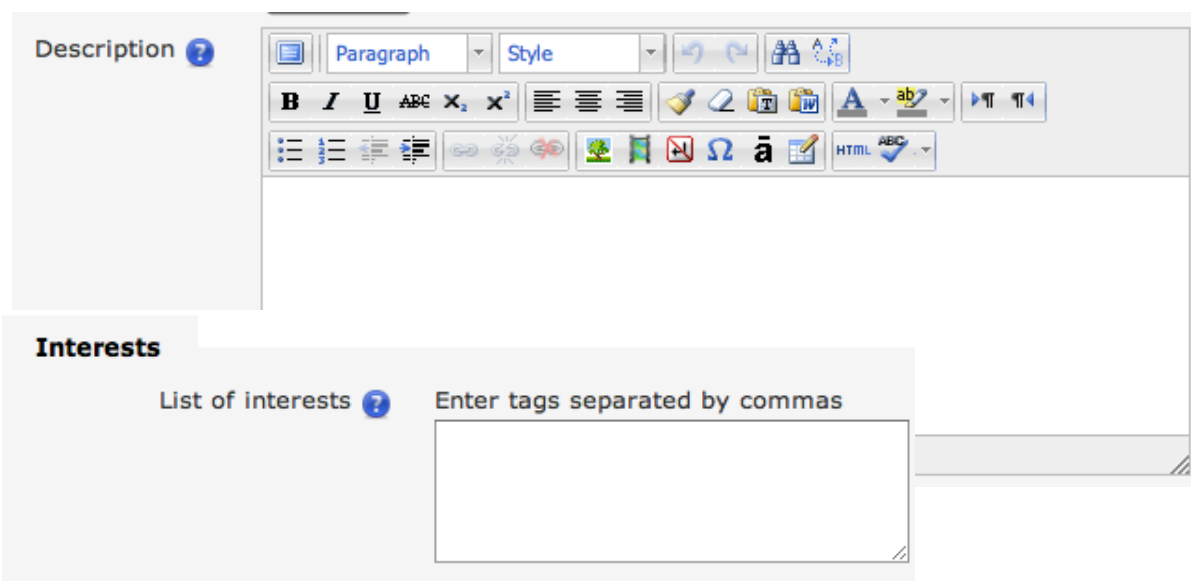

1. Log In to Moodle
2. Go to the **Settings** block on the right hand side and click **My profile settings**

3. Click **Edit profile**

4. You can then update and make changes to your profile. If you wish, you can add a **Description** about yourself and also add any **Interests** you have.

5. When you've finished scroll down and click **Update profile**
